Culebra Mission Trip
 tentative July 24-31
 Team Meeting Wednesday,
January 11th @ 8pm

Culebra Island is located just off the eastern coast of Puerto Rico. For the last several years Life Springs has partnered with Jerusalem Methodist Church on the island to help the pastor and his church reach the people of the island for Christ. We are planning to host programs for people in the community as well as help families on the island with minor construction projects to help alleviate substandard housing issues. Everyone is invited to this meeting to learn more about what God is doing on the island of Culebra.

Backyard Missions

Backyard Missions is our local mission effort. We work all over our community meeting various needs of the people that live around us. Our next project is a bathroom rebuild in Williamson. The project list is being put together now. If you are interested in being a part of this ministry please sign up at the Welcome Center. You do not have to have a specialized skill, just be willing to love people and help meet the needs that they have!
