Need yard clean up? How about some painting? Or other projects that you just have not gotten around to doing? There are even skilled workers that can tackle more difficult projects. All of these and more are available as projects the team can perform. If you are interested please fill out a form located at the Welcome Center and we will get you scheduled.

It is that time of year again! Time to cut the grass

We have been blessed with a wonderful piece of property, but it takes a lot of work to keep it looking nice. Now with the warmer weather the grass will begin to grow. We do not have a paid lawn company, all of our maintenance is handled by volunteers. We have invested in adequate equipment but need the people to run it. You can sign up at the Welcome Center with your contact information. We will schedule around your availability, even an hour or two would be a big help. We are scheduling now for this spring and need your help!

SATURDAY, April 8 @ 2PM

Come and join your church family and people from all over our community for a great day of fun! There will be fun for the whole family: from hunting eggs, to a hay ride, to playing on the inflatable, to eating some ice cream! It takes many volunteers to make an event like this successful, please pray about what you can do to help reach our community for the Kingdom. Look for the display in the lobby where you can sign up to serve.
