## Mower Fund

We have maintained the 30+ beautiful acres of the Life Springs Church and Danielly Park with the same mower for seven years. The cost to repair this workhorse has finally become sizable. We were blessed to get a great deal on a new commercial mower but we need your help. Please prayerfully consider giving to the New Mower Fund so that we may cover the additional costs incurred.

CELEBRATING SEVEN YEARS OF WORSHIP

AUGUST 16, 2009 - AUGUST 21, 2016

We welcome Julian Danielly and his wife Chris, as well as many of their family members to worship this morning. Mr. Danielly donated the land that we now use for ministry and made significant contributions to help us build our current facility. We are thankful to them for all they have done to help Life Springs be a place where all people can find a life of meaning and purpose through a deeply committed relationship with Jesus Christ.
