Where It All Begins

770-567-3821

Dear Parents,

Welcome to Life Springs Church Preschool! We are delighted that you have considered sharing your child with us.

The goal of early childhood education is to help your child transition to the classroom setting. We believe with a balanced, consistent schedule coupled with love and patience, we can accomplish this goal. Our teachers and staff work diligently to make sure the children have a safe and happy experience here!

Please take time to carefully read and complete the attached application form and other information. In addition to a completed application form, you must also supply a copy of your child's current immunization record and the appropriate registration fee. Your child is not considered registered until each of these items has been received and you have received notice that your child has been accepted into the program.

I look forward to meeting with you and your child.

LIFE SPRINGS IS WHERE IT ALL BEGINS!!

In Christ,
